

Just for Parents...

Today your children learned that they belong to God.

We spent time talking about ourselves and what is happening to us, talking about God and Jesus, and talking about our relationship with God and Jesus and with one another. We shared stories and listened to readings from the Bible. We talked a little bit about Baptism.

Baptism **proclaims** that you belong to God. We spent the class exploring the following questions:

- What does it mean to say we are created in the image of God?
- Does it mean that we look like God?
- Does anyone know what God looks like?
- Does being created in God's image mean that we can think or act like God?
